Dear Mr. Brown:

Re: Frisco Mine, Non-Compliance, S/037/070, San Juan County, Utah

Please find enclosed the original Notice of Non-Compliance we sent to Nick Murphy concerning the Frisco Mine in East Canyon. I have also enclosed a Small Mine Operations Notice of Intent (SMO) form.

Wayne Hedberg informed me that you will be assuming the responsibility of operator for this site. You will need to fill out the SMO and return it. Please return it to us by the end of August, 1992. If you need more time, please let us know.

Mr. Hedberg informed me that you will need to identify those portions of the site for which you are specifically responsible. I have seen the site and would concur with this suggestion. I believe the most recent disturbance for which you would be responsible involves a portal and the ore/waste pile. If you need more time to make this designation or need to meet with me onsite, please let me know. I can be down in the Moab area in late August.

Thank you for your diligence in pursuing this compliance issue.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
